

MKC Dog Training

Checklist for First Night Of Classes

Our training classes should be fun for you and your best friend. You will be taught different methods for achieving success with a major focus on positive training methods. In order to assure success for both of you, it is VERY IMPORTANT that you bring the following to the first night of classes:

- 1) **ARRIVE AT 6:30 PM FOR REGISTRATION**
- 2) **CURRENT SHOT RECORDS.**
This is very important and no one may attend any MKC Dog Training Class without first providing up-to-date vaccination records!
- 3) **Bring Check, Money Order, or Cash Payment for your class.**
SORRY, NO CREDIT CARDS ACCEPTED
All MKC Dog Training Classes are \$65 if you Pre-Registered (\$70 if you register the night of the first class). Please make checks out to MKC, Inc.
- 4) **Appropriate COLLAR and LEASH.**
For proper and effective training, dogs must wear either a fabric or chain slip (choke) collar and be on a six-foot fabric or leather leash. No retractable leashes or harnesses will be permitted. If you do not have a training collar, you may purchase one from the MKC the first night for \$5.00. (Regular collars are okay for Puppy Classes)
- 5) **Bring Treats for Training Rewards.**
Be sure to bring plenty of small, soft treats (hotdogs cut into skinny slices, cheese, Puperoni's or any other soft food) that you can put in your pocket. You will be rewarding your dog for a job well done, so make sure to bring whatever he/she really likes and make sure it's small enough to fit in your pocket.
- 6) **Come prepared to train!** Have on comfortable clothing and shoes appropriate for fast walking and running.

Training will begin immediately after all persons have checked in. Come early to check in so class can start on time. And most of all, HAVE FUN!
